A cross-sectional view of a multi-layered structure. It shows a central core (26) composed of a grid of small circles, surrounded by a layer of diagonal hatching (27). This is further enclosed by a layer of small circles (28A) and an outer layer of diagonal hatching (26A). The entire structure is flanked by two horizontal bars (22) and a central vertical bar (21). A label 25 points to the leftmost horizontal bar.
